DEPARTMENT OF ECONOMICS

Miss Rose-Joan Grotta,
Executive Secretary,
WCSR--The Voice of Smith College,
Smith College,
Northampton, Mass.

My dear Miss Grotta:

You may count on the Economics Department for its cooperation in any matter of a program on WCSR. All of us are pretty busy and I rather suspect that you will not find us taking the initiative in asking for time, but if you do have a program on which you think we could be used, let me know.

Very sincerely,

Stanley C. Ross
